Orange County AuxComm Net Script

(09:25) **This is** _____ **The Orange County AuxComm Training Net will begin in 5 minutes. Please make any urgent calls now.**

(09:30 -- After Repeater's Net Announcement) **Calling the Orange County AuxComm Training Net, Calling the Orange County AuxComm Training Net. This is** _____ **operating as W4EZ, Net Control.**

This net meets every Saturday at 09:30 on the W4UNC 442.150 MHz positive offset, PL 131.8 Hz repeater. All licensed amateurs are welcome to use this open repeater. In case of net control or backup net control communication difficulties with this repeater, this net will move to the backup WR4AGC 147.225 MHz positive offset, PL 82.5 Hz repeater.

This directed net provides training for emergencies using AuxComm communication protocol and transmits bulletins of interest to the amateur radio community. When checking in, say your phonetic call sign and do not secure until permission is granted. Is there a back up net control?

_____ **( ) is backup net control.** *(check out last)*
